

Smart Solutions for Smarter Manufacturing

FOLLOW-UP MANAGEMENT SOLUTION

AUTOMATE • TRACK • COLLECT • DELIVER

Simplify payment collection and supplier follow-up.

Save time

Improve cash flow

Increase
productivity

Email & WhatsApp
automation

Secure & reliable

Real-time reports &
dashboard

Two follow-ups that decide your cash flow.

FINANCE FOLLOW-UP MODULE

Track customer invoices, send reminders on WhatsApp and email, and collect on time.

- ✓ Customer invoice tracking
- ✓ Outstanding payment report
- ✓ Due date alerts
- ✓ Automatic email reminders
- ✓ WhatsApp payment reminders
- ✓ Customer-wise ageing report (0–30, 31–60, 61–90, 90+ days)
- ✓ Follow-up history for every customer
- ✓ Collections report and 'Promised this week' on the owner's overview

PURCHASE FOLLOW-UP MODULE

Track purchase orders, follow up suppliers, and get material on time.

- ✓ Purchase order tracking
- ✓ Supplier material follow-up
- ✓ Expected delivery dates, late orders flagged
- ✓ Automatic e-mail and WhatsApp reminders to suppliers
- ✓ Goods overdue shown on the owner's overview
- ✓ The supplier's new promised date saved on the order
- ✓ Supplier ratings in the supplier list

— MORE IN THE SAME APP

Billing & GST

GST invoices in ₹, credit notes, amount in words, bank and UPI QR on the PDF.

Attendance & field staff

Attendance with face check and location, leave, field visits, beat plans.

Tally & Zoho

Automatic sync with Tally through a small Windows program (SmartWorker reads from Tally, never writes into it). Import from Zoho Books.

Roles & security

Roles and rights for every person, each company's data kept separate.

Data Management

Finance, Purchase, Inventory, Dispatch and Production in one place.

Calls & video calls

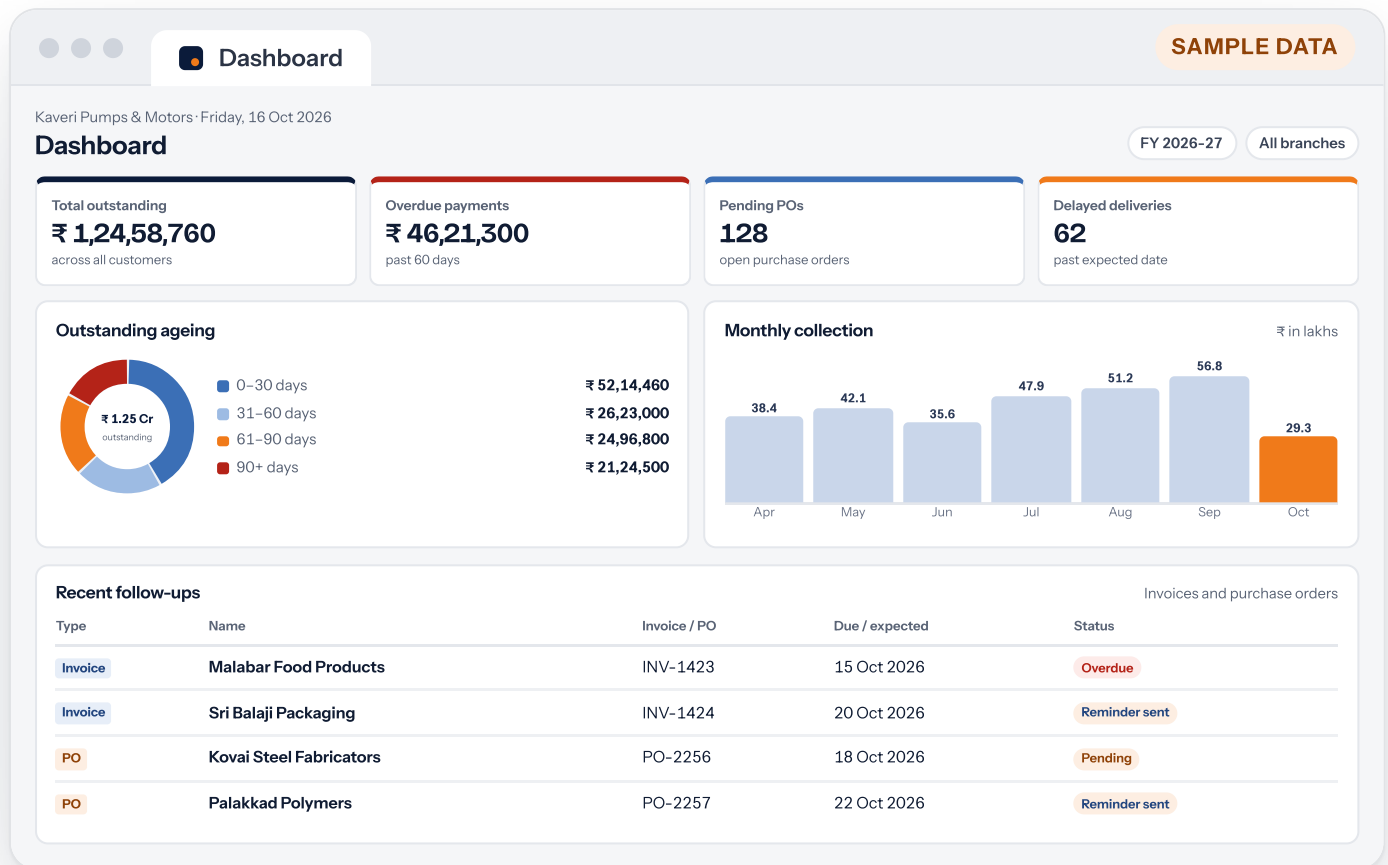

Call or video call a customer from their record, notes saved in one place.

Phone app

SmartWorker on your phone, for owners and staff.

Monitor everything from a single screen.

- ✓ Total outstanding amount
- ✓ Pending purchase orders
- ✓ Monthly collection summary (in lakhs)
- ✓ Top outstanding customers
- ✓ Overdue payments
- ✓ Delayed supplier deliveries
- ✓ Business reports

BENEFITS

- ✓ Increase cash flow
- ✓ Reduce manual follow-ups
- ✓ Improve supplier response time
- ✓ Save employee time
- ✓ Improve productivity
- ✓ Better decision making
